

## 1995 ASSEMBLY BILL 676

November 9, 1995 – Introduced by Representative GARD, cosponsored by Senator BUETTNER. Referred to Calendar.

1     **AN ACT to affect** 1995 Wisconsin Act 27, section 9130 (6); **relating to:** substate  
2           boundaries for the local administration of employment and education  
3           programs.

---

***Analysis by the Legislative Reference Bureau***

Under current law, the governor's council on workforce excellence must submit to the secretary of administration, by January 15, 1996, a plan that realigns the substate boundaries for the local administration of employment education programs so that those boundaries are contiguous with the boundaries of the technical college districts. This bill eliminates the requirement that those boundaries be contiguous with the boundaries of the technical college districts. Instead, the bill requires that those boundaries not split a county and that the governor's council on workforce excellence, in devising the plan, give priority to maintaining current working partnerships between counties. The bill also pushes back the date by which the plan must be submitted to July 1, 1996.
